We stop at viewpoint “San Fah” you wonder about how beautiful landscape in this area, standing on mountain slope and see below in valley. The morning mists is slowly rising up, and take a breath fresh mountains air.

Here we start our walking on foot climb up steep slope about 1 hour to the ridge and hiking on highland evergreen forest, the mountainous fresh air and trees in the area pass through.

And then walking along mountain ridge and slope take about 3 - 4 hours, you will see spectacular different view of mountains landscape. On the way, we take a break and jungle cooking for lunch.

**Afternoon**, we are going down through the jungle and creek to rice field terrace and late afternoon arrive at village **Ban Hua Nam**, the place where we stay overnight and homestay with Karen family. You can relax, go to wash, and walks around, take a photo and learn about local culture. Your host family and our staff prepare for delicious dining meal. So, you can help us to cooking or take photos. Enjoy dinner in candlelight together.

**Day 2 >>** Here, life will be start an early morning and the Roosters wake you up. People start to pound the rice, cooking, prepare tools and get to work in their fields.
